

TRACTOR SUPPLY COMPANY: Corporate Volunteerism Award

It is hard to imagine a thriving Saddle Up! without the long-time support of Tractor Supply Company. TSC provides hundreds of hours of invaluable volunteer support to Saddle Up! each year, exemplifying TSC's commitment to neighbors helping neighbors. Saddle Up! has received 2021 support through the newly formed Tractor Supply Company Foundation, and we have been honored for many years to have Tractor Supply as the Grand Champion Sponsor of our most important fundraiser, the Music Country Grand Prix event. Our board of directors has long been enhanced by the tireless work and long hours devoted to Saddle Up! by Tractor Supply executives who have served in critical roles. The positive influences and ongoing support of TSC throughout both the day to day operations of Saddle Up! and demonstrated in the support of major projects and events, reflects the TSC partnership and commitment to our mission to impact the lives of children and young adults with disabilities through the power of equine-supported therapies. The community values of Tractor Supply and their true commitment to serving their communities and supporting programs that strengthen them is on full display every day at Saddle Up!.
